Dear Mr President
Dear Mr Speaker

I hereby submit Portfolio Supplementary Estimates Statements in support of the supplementary appropriations being sought for the Employment and Workplace Relations Portfolio, through the Appropriation (Northern Territory National Emergency Response) Bills (No. 1) and (No. 2) 2007-2008.

These statements have been developed, and are submitted to the Parliament, as a statement on the funding requirements being sought for the Portfolio.

I present these statements by virtue of my Ministerial responsibility for accountability to the Parliament and, through it, the public.

Yours sincerely

USER GUIDE

The purpose of the Portfolio Supplementary Estimates Statements (PSES) is to explain Appropriation (Northern Territory National Emergency Response) Bills (No. 1) and (No. 2) 2007-08. This document serves to inform senators and members of parliament of the proposed allocation of supplementary appropriations to Government outcomes by agencies within the portfolio.

The PSES are declared by the Appropriation (Northern Territory National Emergency Response) Bills (No. 1) and (No. 2) to be a 'relevant document' to the interpretation of the Bill according to section 15AB of the *Acts Interpretation Act 1901*.

The PSES are focused on explaining the supplementary estimates appropriations. Information on 2007-08 Budget resourcing issues – including special appropriations, special accounts, revenue from other sources, performance information, and a full set of agency budgeted financial statements – can be found in the 2007-08 Portfolio Budget Statements accompanying the 2007-08 annual appropriation bills.

DEPARTMENT OF EMPLOYMENT AND WORKPLACE RELATIONS

OVERVIEW OF SUPPLEMENTARY APPROPRIATION SOUGHT

This document provides information about the Employment and Workplace Relations Portfolio which includes the Department of Employment and Workplace Relations (DEWR).

On 21 June 2007 the Prime Minister and the Minister for Families, Community Services and Indigenous Affairs announced national emergency measures to protect Aboriginal children in the Northern Territory from abuse and give them a better, safer future. The measures in the emergency response aim to protect and stabilise communities in the crisis areas. This is the first stage in a longer term approach to improve the welfare of Aboriginal children and their families in the Northern Territory.

The department has supplementary estimates for the following measures:

- Northern Territory Emergency Response – welfare and employment reform;
and
- Northern Territory Emergency Response – coordination.

Details of measures can be found at Tables 1.1 and 1.2.

MEASURES — AGENCY SUMMARY

The Government will provide additional funding of \$65.9 million in 2007-08 for the measure *Northern Territory Emergency Response - welfare and employment reform*. The measure provides for:

- the deployment of survey and communication teams to engage with community members by providing advice about the nature of the emergency response and to conduct surveys focussed on community need and employment;

- the accelerated removal of remote area exemptions in the Northern Territory by 31 December 2007. Access to employment services will be increased with job seekers referred to the appropriate employment service to successfully achieve sustainable employment outcomes and/or undertake training; and
- the phased removal of the Community Development and Employment Projects (CDEP) programme in the Northern Territory. CDEP participants will transition to real jobs or income support with additional employment, training and Work for the Dole services to be established to improve sustainable employment and economic development for Indigenous people in the Northern Territory. A transition payment will also be established to assist former CDEP participants to manage any changes in income that may result from their move to income support.
