

At the Status Upskill Reskill RTO, a focus on meeting employer expectations is pivotal to all of our training programs; we prepare your future employees. Supporting and directing targeted preparation of potential candidates actively looking for employment, apprenticeships and traineeships.

Our Employability Skills Training is targeted to key growth industries in the Perth South region and will give participants a thorough understanding of the industry, career pathways and employer expectations. As a proven market leader, empowering people and powering business, Status is invested, working hand in hand to support your workforce needs and developing long term relationships with our employers.

We Engage

In Person
Our Perth South Workforce Connect team will connect with you to identify your workforce and training needs

Remotely
If you are unable to attend our offices to meet potential candidates we can organise remote video conferencing for remote interviews

We Facilitate

Industry Training
We prepare our candidates with industry skills and knowledge including an introduction to industry terminology and vocabulary

Customised Training
Our Employability Skills Training can be customised to your employment needs, ensuring our participants will be the right fit for your business

Business Showcase
You are invited into our programs to showcase available jobs and career pathways within your industry, speaking directly with interested participants

Your Business Success
Our Workforce Connect team will invest in maintaining our relationship to ensure your ongoing workforce success

We Connect

Licenses and Credentials
We provide or connect candidates to the licensing and credentials necessary to commence working in your industry

Job Ready Candidates
Candidates completing our Employability Skills Training program will have a strong understanding of your industry and employer expectations
