## Review of the Federal Safety Commissioner

**Submitted by:** Scott Chapman

**From:** East Arm Civil Pty Ltd

**Please share your views on the effectiveness of the Federal Safety Commissioner and/or the WHS Accreditation Scheme in improving WHS performance.**

In our opinion we believe the FSC and scheme have improved the industry by ensuring a high level of standards are met and maintained through regular auditing

**Do you recommend any changes to the functions and powers of the Federal Safety Commissioner or the requirements of the WHS Accreditation Scheme?**

No. It seems to be run fair and consistent
