

# Labour Force Survey | Overall | July 2022 - June 2023

The Labour Force Survey provides information on the employment and education status of participants in three Workforce Australia employment programs – Workforce Australia Online, Workforce Australia Services and Transition to Work (TtW). Participants who were in (caseload) or have exited (exits) any of the three programs in the reference period can receive the survey.

### Caseload

Responses: 1,999

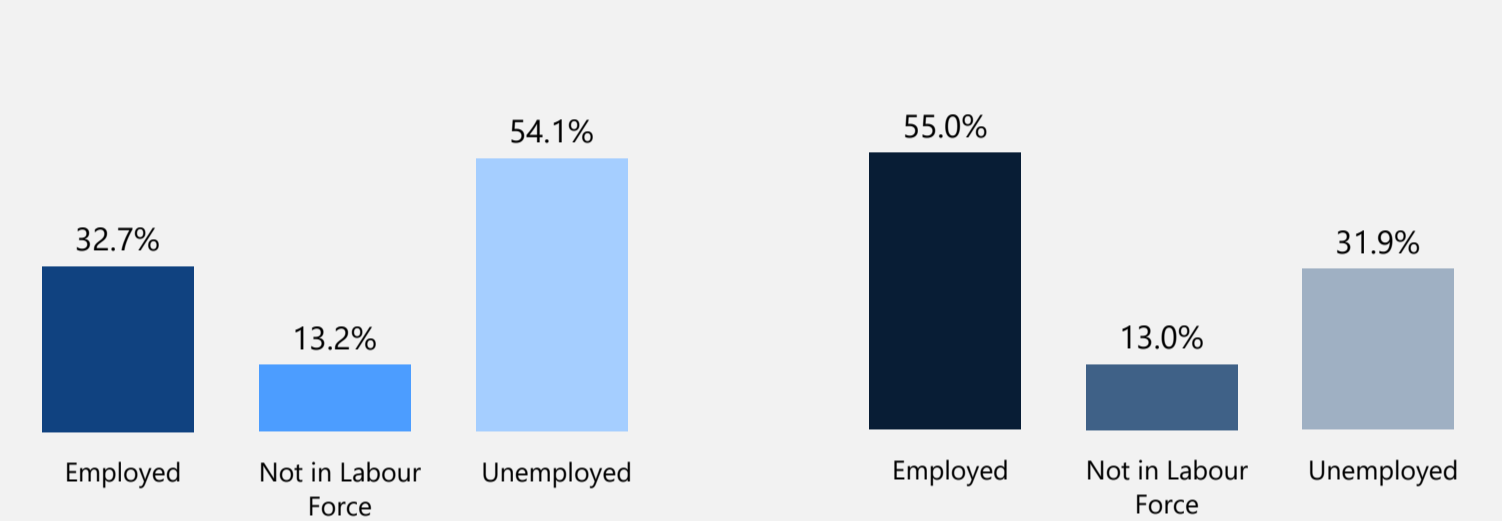

### Exits<sup>(1)</sup>

Responses: 1,202

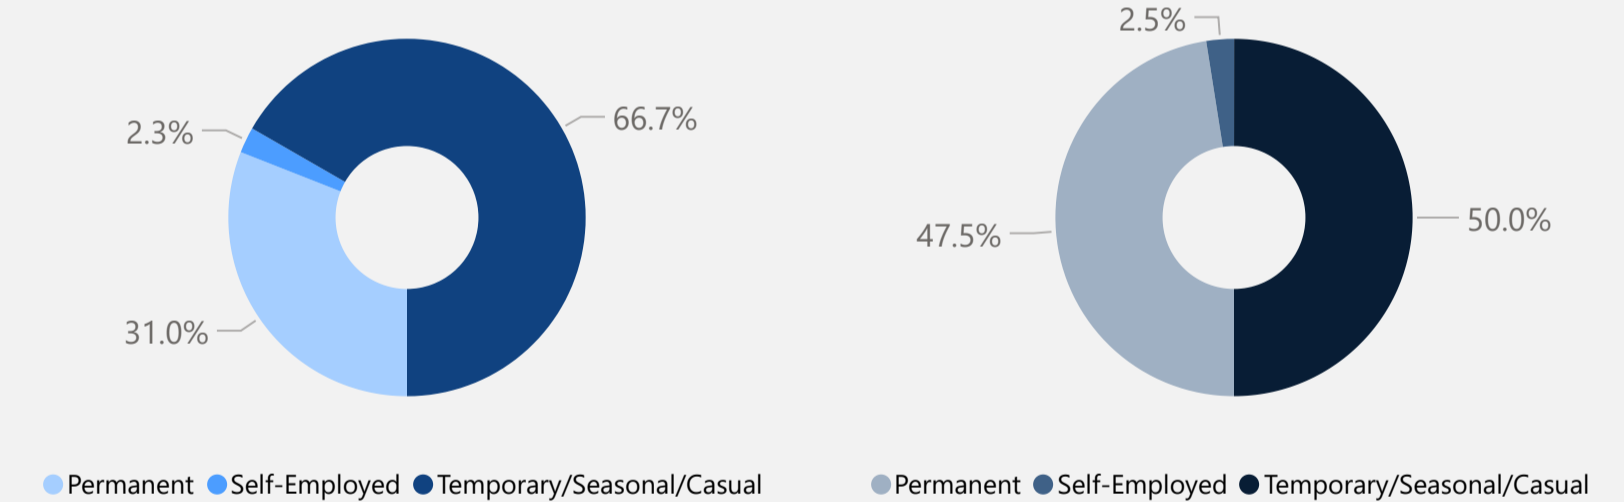

### Positive Outcomes<sup>(2)</sup>

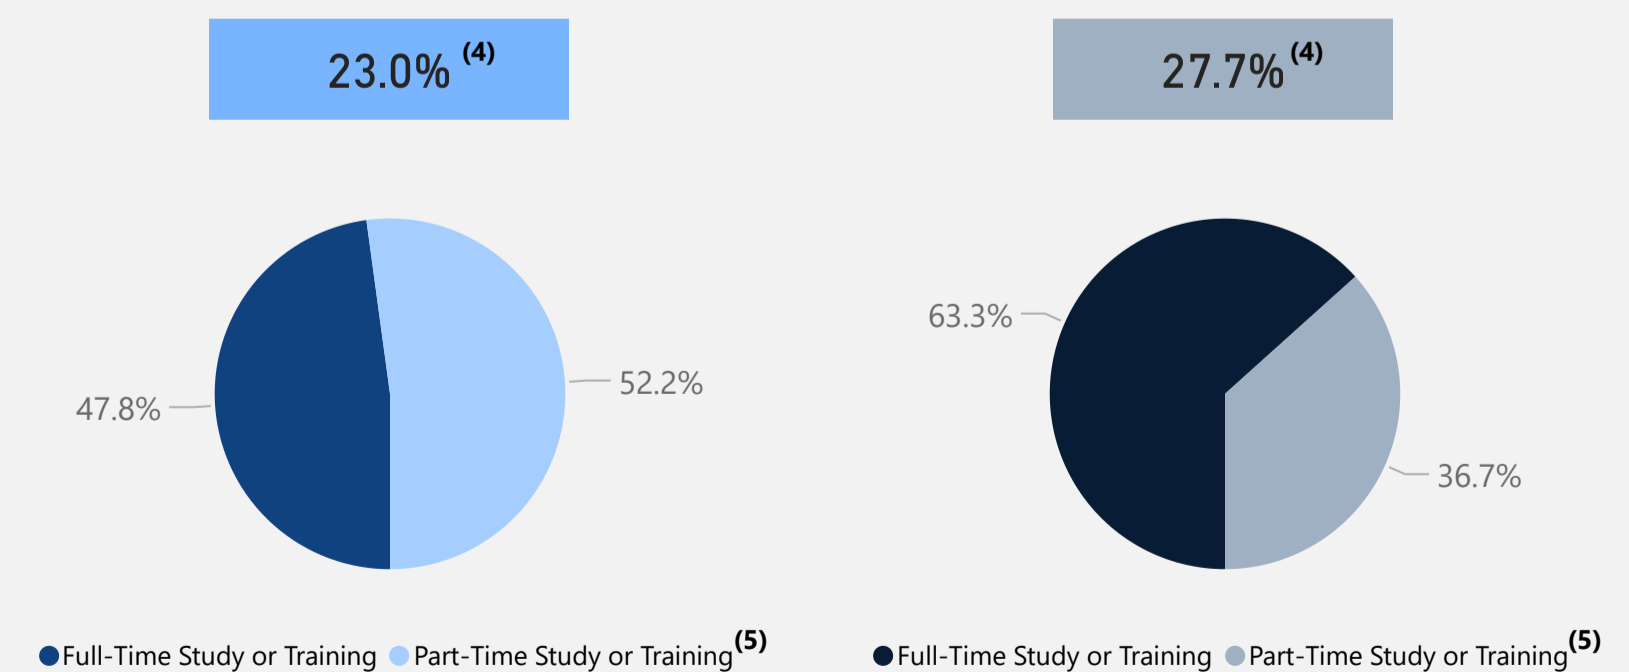

### Labour Force Status

### Employment Type<sup>(3)</sup>

### Study or Training

#### Notes

(1) Exits refers to participants who exited Workforce Australia Online, Workforce Australia Services, or TtW programs any time between 4 July 2022 and 30 June 2023.

(2) A positive outcome is achieved by a participant if they were in employment and/or study or training.

(3) Employment Type results refers to participants who were employed. For example, for the Workforce Australia Online Caseload, of those who were employed, 38.3% were in permanent employment.

(4) Study or Training headline results refer to the respective caseload or exits population. For example, 15.4% of Workforce Australia Services exits were in study or training.

(5) Study or training type results refer to the respective caseload or exits population in study or training. For example, of the 15.4% of Workforce Australia Services exits in study or training, 48.9% were in full-time study or training.
