

Contract regions and service providers for Skills for Education and Employment (SEE) program

There are 58 SEE contract regions for the SEE program. These regions align with the Australian Bureau of Statistics (ABS) Australian Statistical Geography Standard (ASGS) regions which are used by the Department of Education, Skills and Employment and the Department of Human Services to manage service delivery contracts.

SEE program services are delivered by a multi-provider model, so there may be more than one provider in some contract regions.

One service provider, TAFE SA, has been contracted to deliver SEE program distance learning services nationally.

A detailed map of New South Wales, Australia, showing its regional divisions. The map is color-coded: North Coast (light blue), New England and North West (light green), South Coast (light orange), and Mid North Coast (light purple). Major towns and cities are marked with black dots and labeled. The map also shows the state's borders with Victoria, Queensland, and the Australian Capital Territory, as well as the Tasmanian Sea. The Great Dividing Range is highlighted in a darker green. The map includes a scale bar in the bottom left corner, indicating distances in kilometers and miles.

The map displays the state of South Australia, divided into four distinct regions. The 'Remote SA' region is outlined in red and includes the southern coastal strip and the far north. The 'North West Country SA' region is outlined in blue and covers the western and northern inland areas. The 'Mid North SA' region is outlined in blue and covers the central inland area. The 'Adelaide North' region is outlined in blue and covers the northern part of the Adelaide metropolitan area and surrounding regions. Major roads are shown as yellow lines with route numbers, and towns are marked with black dots. The coastline is shown in blue, and inland areas are shown in light green.
