

Employer Service Delivery Plan

Employability Skills Training (EST)

MatchWorks experienced, specialised, and well-trained team deliver Employability Skills Training (EST) in the Somerset Employment Region.

MatchWorks has a long term and successful history as an employment services provider focused on improving and enriching the lives of individuals through pathways to ongoing sustainable employment and providing effective recruitment solutions for employers.

EST helps Participants to develop key skills, industry awareness and undertake tailored training to meet the needs of your business.

As an Employer, you can expect to receive the following assistance:

- MatchWorks commitment, understanding and experience in finding the right person for your vacancy needs.
- Advertising, pre-screening, interviews, and selection support
- Tailored non-accredited and accredited specialist training delivered by our genU Training industry experts in our EST Block Two Courses
- Ongoing support and feedback
- Opportunities to get up to \$10,000 if you hire an eligible young person
- Connection to additional service supports as required
- Ongoing vacancy support should you have multiple vacancy opportunities
- Placement support, including a pre-placement Risk Assessment
- On site workplace visits to support in determining role requirements and training needs analysis
- Easy fuss free linkages with Australian Apprenticeship Support Network providers in your local area
- Identification of appropriate eligible funding options to support you in recruiting a suitable candidate
- Ability to work with MatchWorks on industry specific EST programs that can prepare your future workforce needs with pre-employment skilling of future candidates
