### About Transition to Work

Transition to Work is the Australian Government's flagship program for young people aged between 15 and 24. It is designed to help you navigate the transition from school into a career. This is a journey that's exciting, unpredictable and challenging, and we'll be there by your side.

We have the experience, commitment and passion to help young people into fulfilling careers. On the Gold Coast, we have over 3,500 relationships with employers to help find the right career for you.

### Your Youth Coach

We have matched you to a Youth Coach who will meet with you regularly. They will stick with you every step of the way to help you get where you want to be.

Your Youth Coach will invest time in you. They will work with you side by side in a supportive, non-judgemental way. They will learn about you, your unique interests and strengths. With you, we will develop an education and career plan tailored to you and your needs.

#### Your plans might include:
