

## Appendix H - National Contacts Related to Overseas Qualifications as at 1 October 2021

### Australian Education International, National Office of Overseas Skills Recognition

Australian Education International (AEI), through the National Office of Overseas Skills Recognition (AEI-NOOSR), provides official information and advice on the comparability of overseas qualifications with Australian qualifications, including higher education qualifications. This information can be found at the [NOOSR](http://www.noosr.gov.au) website. For further assistance, contact the AEI-NOOSR Hotline on 1300 615 262 or email [NOOSREnquiries@education.gov.au](mailto:NOOSREnquiries@education.gov.au).

### Australian Skills Recognition Information

Australian Skills Recognition Information (ASRI) located through the [Department of Immigration and Border Protection website](http://www.border.gov.au) provides information on how to get an assessment of occupational qualifications, skills or experience gained overseas.
