- Department of Employment and Workplace Relations

We say **DEWR** for short.

When you see the word **we** it means DSS and DEWR.

We wrote this in an easy to read way.

We use pictures to explain some ideas.

We have some words in **bold**.

This means the letters are thicker and darker.

These are important words.

# About the finding a job law

There is a **law** about finding a job.

Laws are **rules** for how we live.

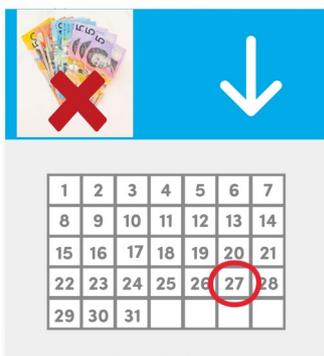

The law says what people need to do to

- Find a job
- Keep a job.

We call these activities.

Everyone will have different activities.

If you do **not** do the activities your money from Centrelink can be

- Stopped for now
- Less
- **Cancelled.**

**Cancelled** means we can decide to stop them completely.

This means you would **not** get any money from Centrelink.

The government checks that laws are working.

We sometimes make changes to the law to make it better.

# Checking that it is working

We are doing a **review** of this law.

A **review** is when you check what

- Works
- Needs to change.

We have made sure the review is

- Done in a fair way
- Following the law.

We have an **independent** person checking our computer systems.

Independent means separate to the government.

This means we are checking if our computer systems are following the rules.

We do **not** think our computer systems are following the rules at all times.

We will also look at decisions that have been made to

- Change
- Stop

Money from Centrelink for **not** doing activities.

We want to make sure the decisions are

- Fair
- Following the law.

We have decided to stop some of these decisions for now.

Some of the decisions have **not** followed

- The law
- Our **policies**.

**Policies** are plans for how to do things.

**Stop for now** means people will **not** have their Centrelink money

- Changed
- Stopped

For some reasons until we know that our computer systems are following the rules.

# Decisions that have been made

2 decisions have been made recently.

1. We will **stop for now** changes to Centrelink money if people do **not** do the activities.

2. We will **stop for now** cancelling Centrelink money if people

- Choose to leave their job.

This can be called **unemployment failure**.

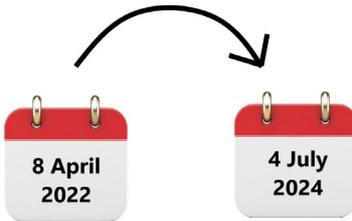

There is a set amount of time that we do **not** pay Centrelink money for unemployment failure.

We have made other decisions.

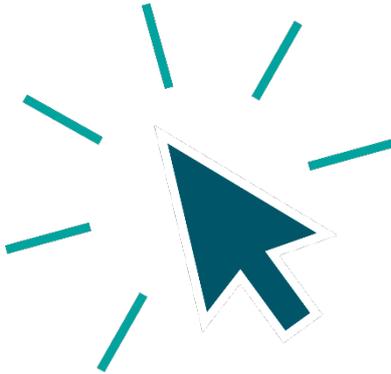

On 4 July 2024 we **stopped for now** cancelling Centrelink money for people who do **not** do the activities.

We will look at all the decisions made about this between

- 8 April 2022
- 4 July 2024.

We will start that soon.

You can read more about this on our website.

It is **not** Easy Read.

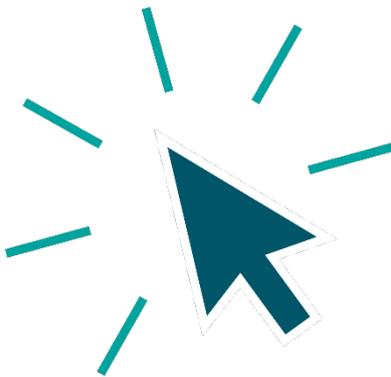

On 24 September 2024 DEWR **stopped for now** cancelling Centrelink money for people who are **not** doing their activities on purpose.

They have **4 weeks** to start doing them again.

This is called a **reconnection requirement**.

All the decisions we have made are still stopped.

You can read more about

It is **not** Easy Read.

# Reasons for the decisions

The government has laws to follow to make sure things are done in a fair way.

We are worried that our computer systems are **not** following the rules at all times.

We need to make sure this is **fixed quickly**.

Decisions have been made to make sure Centrelink money is **not**

- Changed
- Stopped

When the computer system is **not** following the rules.

We are responsible to make sure our computer systems are following the rules.

We need to make sure that Centrelink money is only

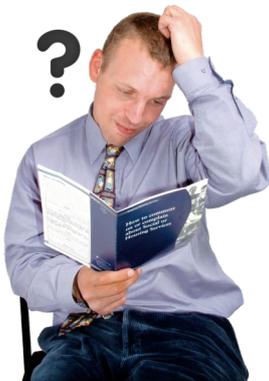

- Changed
- Stopped

If the law says we can.

# What is next

We will tell you any decisions we make.

We will work with people who have to follow these rules to understand

- Decisions we have made

- Their **rights**.

Rights are **rules** about treating everyone

- Fair
- Equal.

We will keep listening to what is found in the reviews.

If we do **not** believe the decisions

- Follow the law
- Are fair

We will stop them right away.
