Service Delivery Plan

The APM Employability Skills Training (EST) Service Delivery Plan sets out our commitments to participants, highlighting the unique service you can expect from us.

For **EST participants**, APM's EST program will build participant's employability skills that are relevant to the workplace. Participants will develop their knowledge, understanding and experience through the delivery of industry focused training in a work-like environment to create local employment pathways.

APM commits to:

- Providing local training in Port Augusta, Whyalla, and Port Lincoln. Building employability skills that prepare you to access jobs in the local labour market. In the North West Country Employment Region, this may include jobs in highest growth and largest employing industries of Health Care & Social Assistance, Retail Trade, Construction, Education & Training, and Professional, Scientific & Technical Services.
- Conducting a skills audit to explore career options and help you identify your transferable skills to reach your vocational goals in your areas of interest.
- Assist you to build your digital literacy whilst accessing online career quizzes, creating and updating resumes, cover letters and job applications.
- Connecting you with local employers who will speak to you about the jobs they have available or invite you to work site tours.
- You will hear from former participants and industry experts.
- You may access workplace visits as a part of our Industry Awareness Experiences with local Employers.

About APM

APM started in 1994 as a small team in Perth, Western Australia, looking to provide better vocational rehabilitation for injured workers so they could recover their health and stay in their jobs.

Today we're an international human services provider with more than 1,000 locations across Australia, New Zealand, United Kingdom, Europe, North America, and Asia.

Our purpose drives us. It's why we come to work. It's why we continue to grow. It's how we inspire excellence and exceptional service with everyone we meet.

Our services focus on enhancing an individual's employability, health and wellbeing, and social and economic participation in their community.

We take great pride in empowering people to realise their ambitions and aspirations through sustainable employment, independence, better health and wellbeing, and increased social participation.

Each year, APM supports more than 1 million people of all ages to live a better quality of life.
