(1) Data includes all Employment Fund commitment transactions with transaction dates between 1 October 2023 and 30 September 2025, as at 31 October 2025.

(2) The Provider Employment Fund is a flexible pool of funds used by Providers to claim reimbursement for eligible goods and services that help people get and keep a job. All purchases must meet the Employment Fund eligibility requirements and principles, including funding integrity and value for money. All purchases must also satisfy specific category requirements outlined in the respective guidelines and policy parameters. Providers must not use the Employment Fund for any services they are contracted to deliver. Employment Fund reimbursements are not income and must not be reflected in the Provider's Financial Statements.

(3) Commitment amounts are GST inclusive and include reimbursed and non-reimbursed commitments. Not all commitments eventuate. People can be supported multiple times in the same category or across multiple categories.
