

Australian Government

WorkFoundations

Paid Employment Pathways program

A pathway to meaningful, long-term employment through paid work placements for up to 6 months.

Key program highlights:

- **Paid work** for up to six months
- **Personalised support** to help you manage personal or work-related challenges in a safe environment
- **Flexible opportunities** that match your skills and interests
- **Eligible programs** include Workforce Australia Services, Transition to Work and Parent Pathways.

There could be employment opportunities near you!

Speak to your provider or check out the WorkFoundations website to find local WorkFoundations employers, learn more about their projects and obtain their contact details to discuss available vacancies.
